

Teambuilding with Kleeneze

Welcome to Kleeneze and the chance to take control of your financial future! As a new distributor we would like to show you how you can make the most of your new Kleeneze business through Teambuilding.

To earn a fantastic part time income with the **Break Free** option your first step should be to circulate your Catalogues and then use the Opportunity DVDs to get out to your friends, family, colleagues etc. Doing this will massively increase your income with little extra effort. As well as your mum, brother, sister, good friends, next door neighbour.

Who do you know who ...

- Works in an office?
- Works in a shop?
- Belongs to an organisation?
- Holds coffee mornings?
- Are your neighbours?
- Are your friends?
- Who goes to a playgroup?
- Is retired?
- Who needs more money!

Write down below the names of the **first 15 people** you can show a DVD to in the next week or two – **DON'T PREJUDGE ...**
... you will be surprised to find how many people will be supportive in helping you establish your new business!

Remember

You are just offering people the chance to watch the DVD. Let them decide whether it's for them or they know someone who may be interested - Kleeneze is right for everybody, but the timing might not be right for them just at the moment!

If you haven't had a chance to get some DVDs from your sponsor or you've got them all out with people already, you can send them to the Ambitionz information website www.info-for-you.co.uk - why not tell all your friends on Facebook what you're doing.

- Let people know that you have just started your own Kleeneze business on a FREE basis
- Let people know you need to get the DVDs back within 24 - 48 hours because you need to get them to other people who may be interested in earning an extra income.

You will find some people will not be interested in even looking at the DVD - Don't worry about this. It's their job to pooh-pooh everything. You may even find some who are not interested in the business but are interested in the products - so give them a catalogue.

More help along the way

Your Sponsor / Upline are there to help you every step of the way.

Talk to your Upline about what to say when you 'approach' the people on your list about looking at the DVD.

- Once you've given the DVD to your friends / contacts, talk to your Upline about calling them back to find out if they want to start or if they need more information.
- Your Upline will teach you what to say and may even call your friends / contacts with you / for you, if you want them to. (If they're calling them for you, make sure you're with them so you can hear what they're saying .. After they've made a few calls you can take over if you wish).
- If they're interested they can register straight away or they might want to see a presentation of the Kleeneze Business. Your upline will go with you and present the business on your behalf, and follow through by answering their questions and helping with getting them started.

Don't forget ...

We only succeed if you succeed ... And we are here to help you!!
